About Me

I am a junior UI/UX designer with one year of experience in the field. Since January 2022, I have primarily focused on UI/UX design. Throughout my career, I have been dedicated to creating designs that align with project goals and objectives. I enjoy collaborating with others to create impactful and user-centered designs. My goal is to continue learning and growing in my field to provide the best possible customer service and advance in my career.

Experience

- Feb 2023 - Present
  UX UI Designer
  Resonex

  I am currently thriving as an Intern UI/UX Designer at Resonex, where I began my journey in February 2023. With hard work and dedication, I have been able to contribute to the success of the company and grow my skills as a designer.

Experienced in Software

- Figma
- Adobe XD
- Adobe Photoshop
- Adobe Illustrator
